**Walla Walla High School
Presents the 102nd Edition of
The Royal Blue**

Presenting . . .

A new ROYAL BLUE . . . This is a new age. Times are changing. The ROYAL BLUE yearbook staff has broken away from the tradition of dividing a book into many sections. We have arranged it according to the three seasons of the school year: fall, winter, and spring, with the hope that in years to come the pages of this book will remind you of the events as they occurred in the 2016-2017 school year.

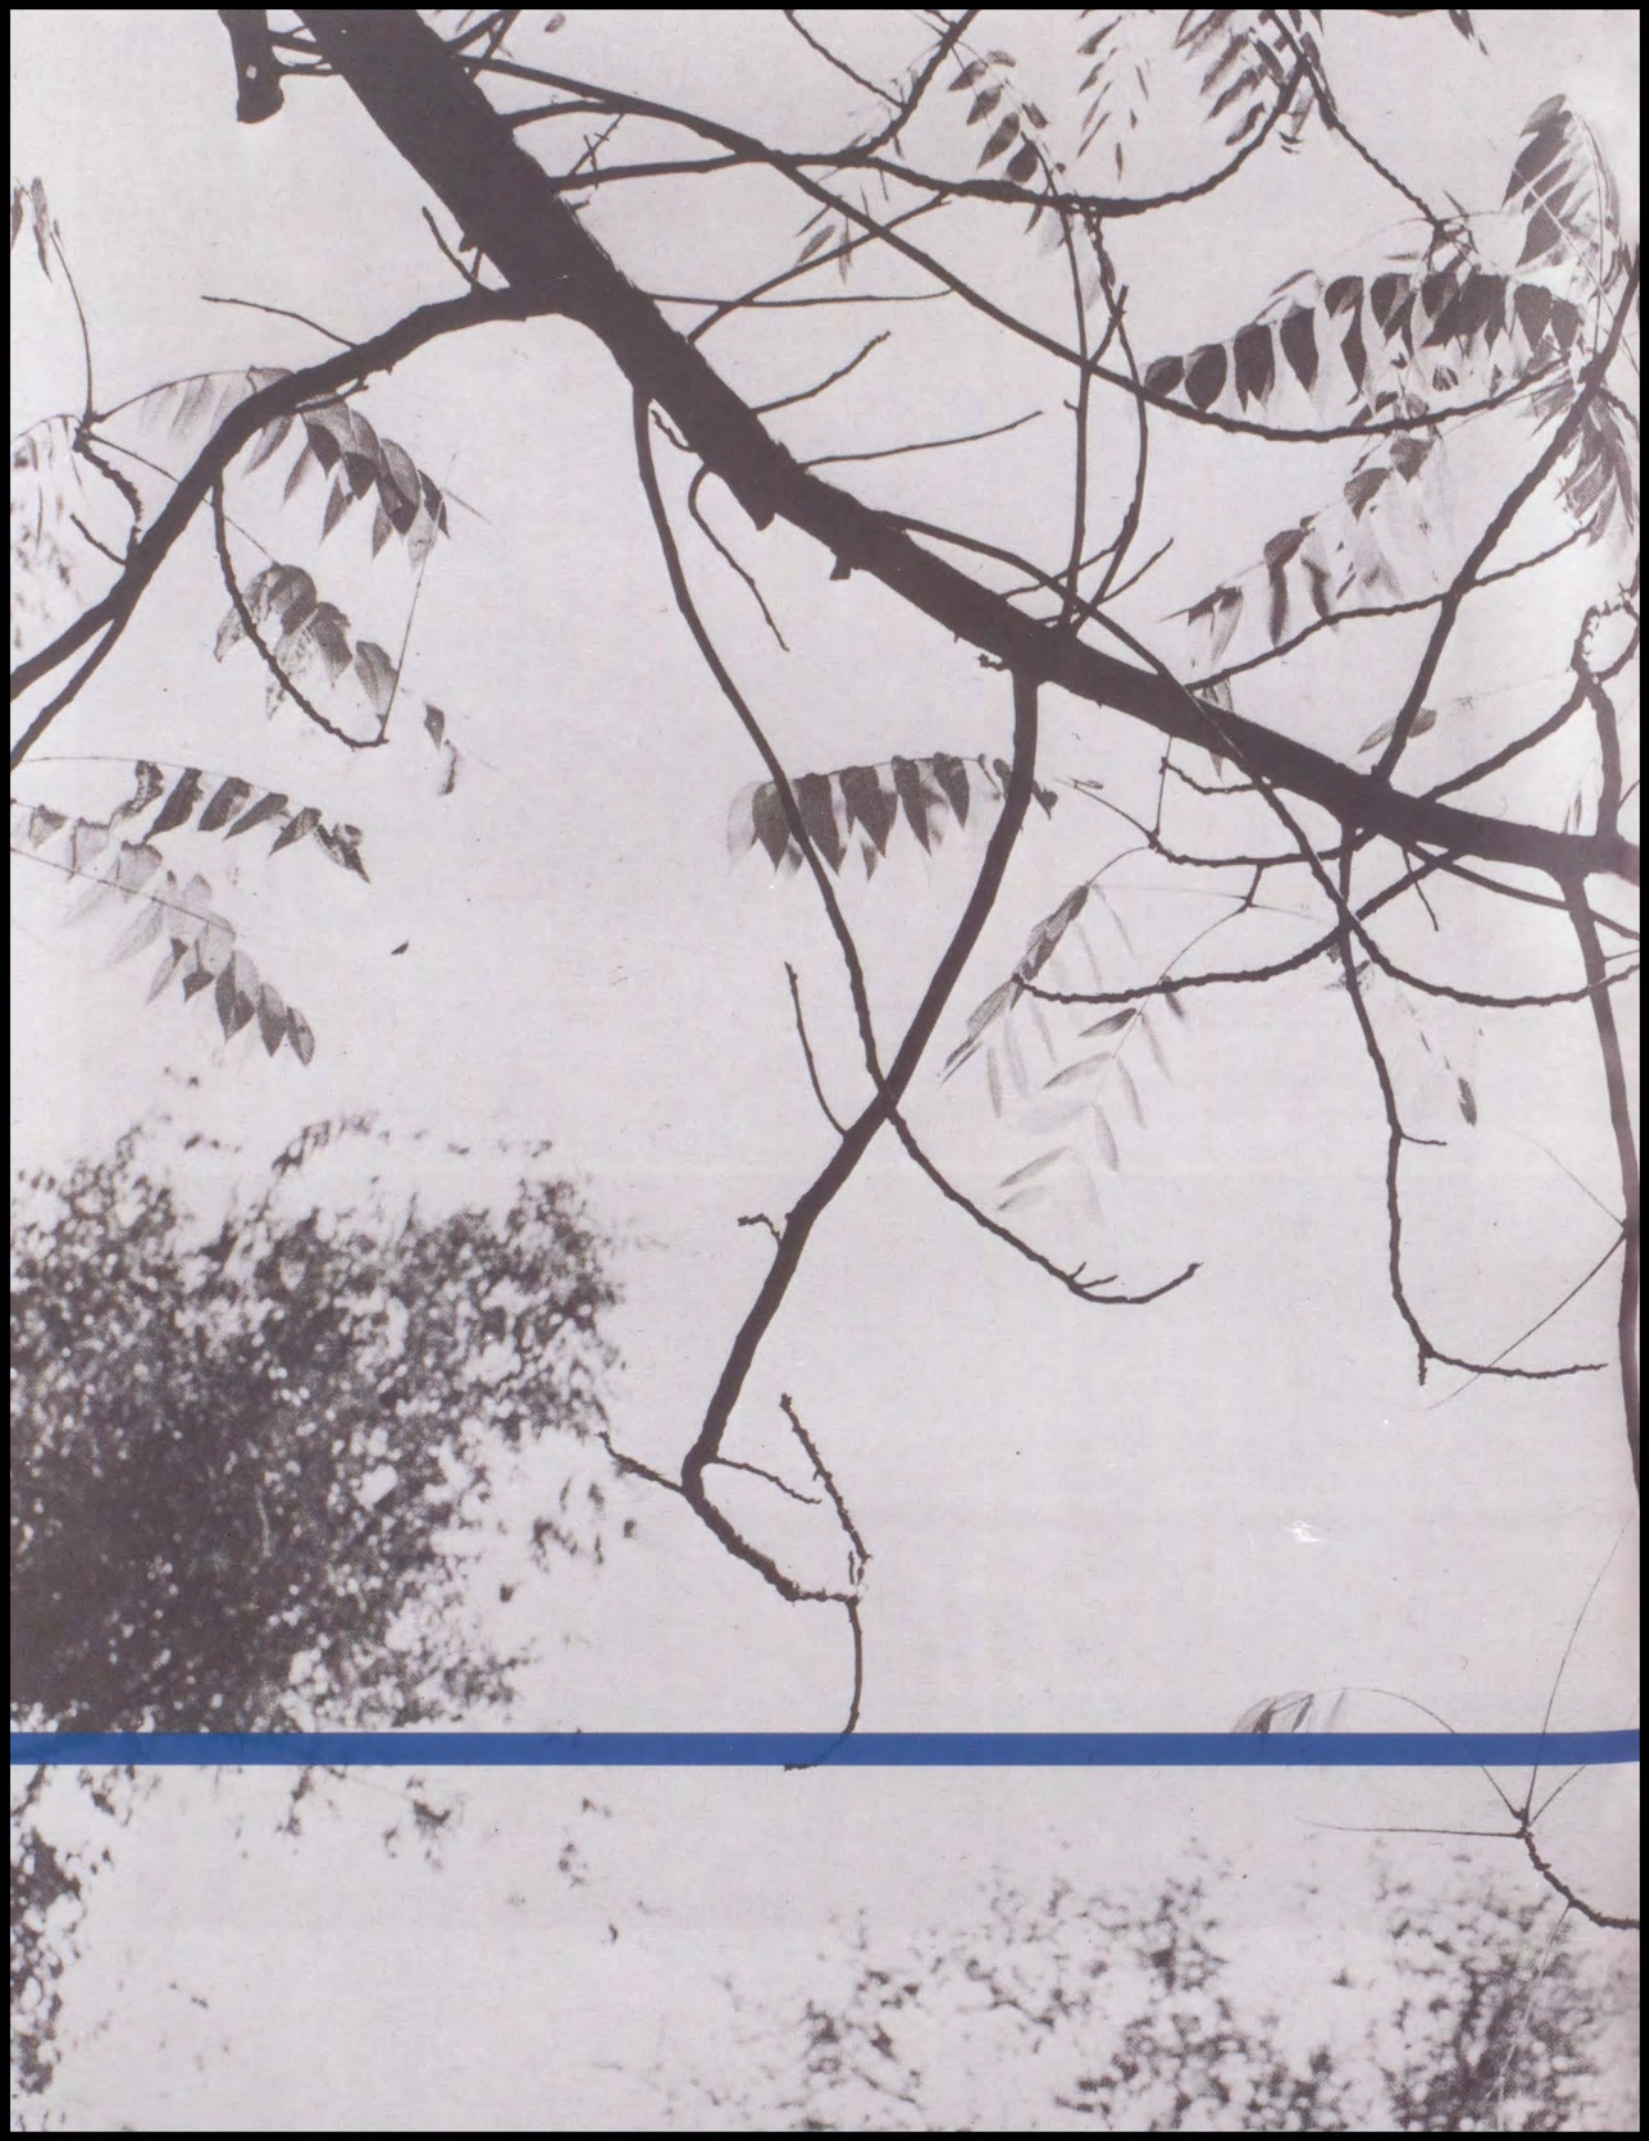

Featuring . . .

Pictures of the fall sporting events, Homecoming week, senior standouts, and the class and faculty photos appear in the FALL section.

Following the FALL section is the WINTER section which includes Conspiracy of Hope, Winter Wish Week, winter athletics, club photos and Sadies.

The final section in the book is the SPRING section featuring Prom, spring sports, retiring staff and the musical put on by the drama department.

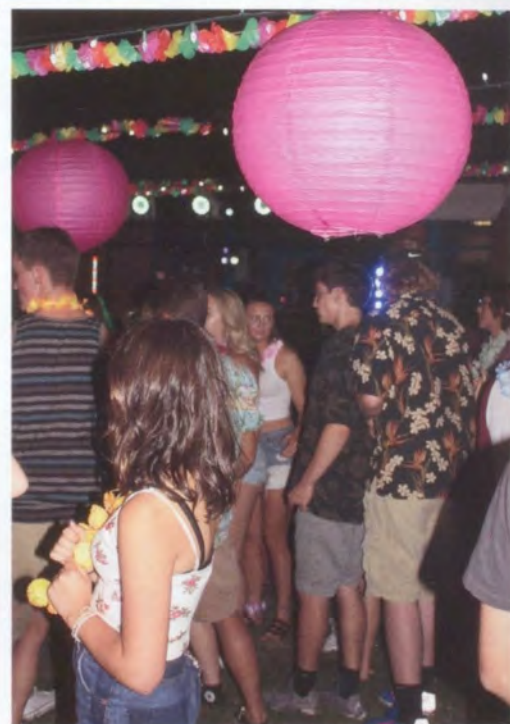

Fall

Luau

In the dictionary, Luau is defined as a Hawaiian party or feast. At Wa-Hi students define it as a night of dancing and fun with friends. This years Luau had great vibes and Pineapple Pete snow cones. The decorations helped our students get in the Hawaiian mood. Everyone got a chance to wear a traditional Hawaiian lei to make the Luau feel a little more authentic.

Trunk or Treat

Trunk or Treat has been a tradition at Wa-Hi for many years. Wa-Hi clubs get together on Halloween night to give out candy to children. There's a haunted barn for people to walk through, put on by the FFA. Each club had a themed trunk and members dressed up according to the theme. Many kids from our town enjoyed this spooky night with friends, family, and students.

Buff Puff

This years Buff Puff game took place on October 3rd in the big gym. The game was intense and the boys showed a lot of effort. In the end, only one team could take the winning title and that was the Senior boys with a close score of two sets to one.

Powder Puff

The Powder Puff game took place at Borleske field on October 5th. The girls fought to the finish and all of them worked their hardest to come out on top. After all of the effort, Juniors took the win with a score of 27-0.

Spirit Week

To kick off Spirit Week, ASB put on an assembly consisting of dances, games, and a skit performed by drama students to reveal the Homecoming theme.

This year's theme was "There's No Place Like Homecoming." During the week, ASB put on contests during both lunches for the most spirited. To end the week, there was a Homecoming game at Borleske.

Homecoming King and Queen
Fernando Rodriguez and Jennifer Santa Cruz

This year's homecoming game took place on Friday, October 7th. The student section was raging with excitement as they cheered the boys on. Everyone showed their school spirit by dressing in blue and white. The Blue Devils beat the Pasco Bulldogs with an outstanding score of 42 - 8.

Homecoming

As everyone got out onto the dance floor, they clicked their heels and danced the night away. With the sounds of music and laughter, there really was no place like Homecoming.

Students at Work

Cameron Haluska

"I am the owner and designer for Copper and Pine Supply Co. I was confirmed a legal business owner in November. At my job, I design each article of clothing, source materials and manage marketing and advertising. My favorite part is seeing my clothing on other people."

Desteny Marks

"I work at Camp Fire USA and I have worked there for two years. At my job, I help take care of the kids after school. My favorite part about my job is the environment, I like working with the kids that come and the other staff that I work with are very fun people."

Jordan Graves

"I work at Yeehaw Aloha and I have worked there for three months. At my job, I organize the store, work the cash register and I help customers with anything they need. My favorite part about my job is I can meet all kinds of people because it is a unique store."

Mckayla Mcpherson

"I work at Starbucks and I have worked there for eight months. At my job, I work as a barista, make the drinks, talk to customers and clean up at the end of the day. My favorite part about my job is talking to the customers and hearing their stories."

Tyler Aguilar

"I work at Worthfit Gym and I have worked there for six months. At my job, I teach kick boxing to all ages, but mostly adults. My favorite part about my job is being able to work out for a job."

Anna Baltrusch

"I work at Sweet Basil Pizzeria and I have been there for a year. At my job, I make pizzas and help customers. My favorite part about my job is being able to eat all the free pizza after work."

After being in soccer for 4 years how does it feel to go to Regional brackets your senior year?

“It is definitely different from the previous years. It’s been an amazing experience especially with the group of girls this year. Playing against Pasco made me realize it could be my last game in high-school, once the referee blew the whistle ending the game, I was more than thrilled to know we would continue on to regionals. It was worth the wait and I’m glad I played this year. I would have never gotten here without the girls by my side on the field.”

Winter Wish

Wa-Hi ASB granted over 200 wishes this year with an initial budget of \$0. They got their money from the funds they raised during Conspiracy of Hope and through donations from local businesses. ASB spent 3 weeks going to classrooms during 6th period to deliver all of the wishes and some delivered to students homes. During the assembly, ASB granted 3 serenade wishes, wishes for pictures with the football team, date nights for students loved ones, cheer uniforms for young Blue Devil fans, a battle between Mrs. Butcher and Ms. Johnson, sweatshirt wishes, yearbook and prom ticket wishes, food being donated to charity, beard conditioner for Mr. Gomsrud and more.

SEA-TECH

Construction Technology:

This exciting new course will prepare students with occupational skills in the areas of blueprint reading, carpentry, electrical systems, masonry, and plumbing. This incredible opportunity gives the individual a hands-on introduction to the construction building trades. The class also won the "Most Unique" award for the Showcase of Skills Homeless Shelter Project.

Advanced Manufacturing and Welding Technology:

This class is a state of the art, industry based shop environment. Students will practice skills that will prepare them to further their education for industries such as building fabrication, machining, construction, foundry work, agricultural, aerospace and many more. Students learn how to design and fabricate a variety of projects using industrial based equipment.

Robotics

ROW 1: Stephen Butler, Cameron Crosbie ROW 2: Matthew Shaefer, Tyler Vasconcelles
ROW 3: Kenneth Louderback, Nathan Hays, Aaron Hays ROW 3: Lane Floch, Thomas Wilson, James Polson

Digital Media Technology:

The program gives students a chance to level up their skills and join the rapidly expanding world of content creation in various media. The hands-on approach is reinforced by the idea that achieving a greater fluency in story structure and storytelling techniques will provide the decisive edge that content creators require in order to compete. Student work is a mix of class assignments, self-selected projects and client jobs for area schools, organizations and non-profits.

ROW 1: Cassandra Acosta, Michelle Martinez, Itzel Salazar, Lily Wells, Emma O'Harrow, Brooke Cramer, Lizbeth Espana Lopez
 ROW 2: Sandy Thomas, Miriam Cisneros, Ana Gomez, Nicole Ibanez, Jasmine Alvarado, Angela Gonzalez, Kylie Barnett, Cleopatra Franssen, Ashton Royse, Katy Robles

Nursing Program:

This class is called Health Science Careers or Pre-nursing. The program introduces students to different career opportunities in Healthcare and nursing professions. Students learn basic human anatomy/physiology and its application to Healthcare. Students practice hands on skills 3 days a week in a Clinical setting and provides qualifying students with all the information and skills required to sit for the State Board of Nursing Assistant test.

Yearbook

Thanks to the **Hard Work** and **Dedication** of these young Americans, Wa-Hi's 2017 yearbook revives a classic, drawing great influence from the 1968 Wa-Hi yearbook. This yearbook has been regarded by many scientists as one of the most influential pieces of literature ever conceived, even Kerry Delfino, when asked about the book, said "It's Aigh-ight!"
This book is our Child, and we are its Step Dad.

Hoops for Heart

Hoops for Heart is a three-on-three basketball tournament with teams made up of four people. All the proceeds went to the American Heart Association. Some of the sponsors were Grocery Outlet, Coffee Cravings, and the YMCA. The teams competed for prizes, charity, and to have fun with their friends while playing a sport they enjoy.

Every 15 Minutes

Every 15 Minutes is a program put on by ASB that brings awareness of the devastating consequences drunk driving can have. Select seniors are dressed up to look as though they have passed away and a car that has been crashed due to a drunk driver is displayed. This event is to show the outcomes of driving while intoxicated.

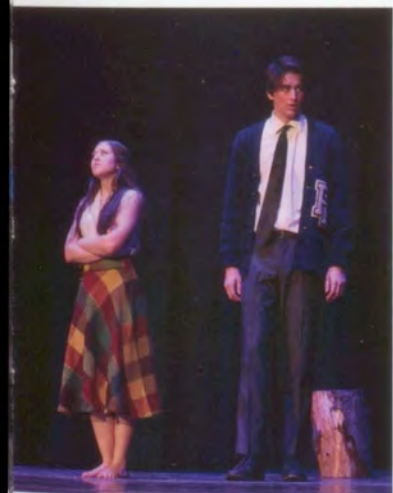

A Midsummer Night's Dream

A Midsummer Night's Dream is a comedy written by William Shakespeare about four young lovers, a traveling group of actors, mystical fairies, and a king who manipulates them all - in one wild night of mischief, love, and adventure. With this story line, the Wa-Hi Drama Club was able to produce it with a 60's twist.

Prom

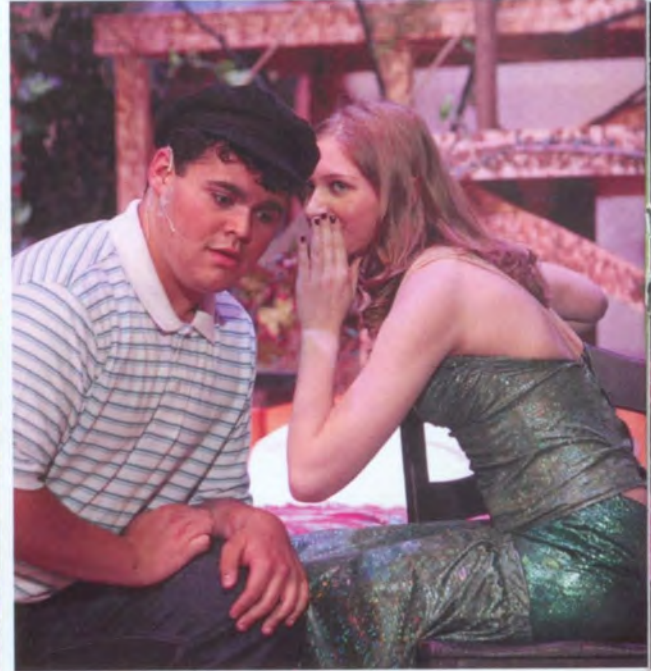

This year's 2016-2017 Wa-Hi Prom was held at the Marcus Whitman with a masquerade theme. The decorations were simple and elegant. What made this year's prom different was how students were given the chance to suggest songs for the dance. When the students weren't dancing, they were out in the lobby taking pictures with props and having a good time. Towards the end of the night, Prom royalty was announced. The winners were:

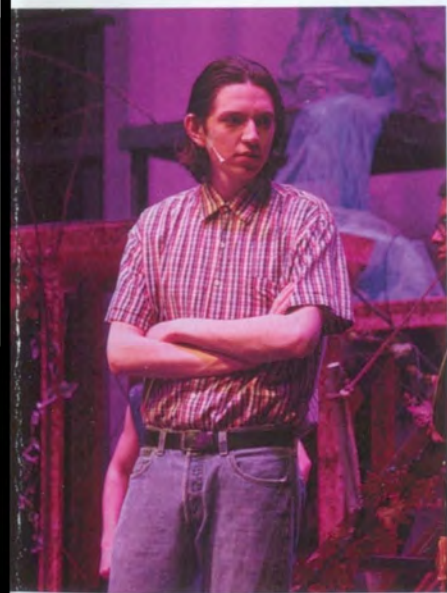

Thad Grimm - Prom King
Ernestina Zaragoza - Prom Queen
Sam Sievertsen - Prom Prince
Camryn Holbrook - Prom Princess

Retiring Staff

Sherry McConn

What did you enjoy most about being a teacher?
"I'm going to miss the opportunities, the challenges I've faced, and all the paraeducators and tutors I've worked with."

What will you miss most about being an educator?
"I will miss the students, paraeducators, tutors, and the people I have met."

What are your plans for retirement?
"I want to see my family, volunteer around the community, and travel to a bunch of different places. I mostly want to keep busy."

Debra Reeves

What did you enjoy most about being a teacher?
"After forty years of teaching, I have most enjoyed learning with and from my students."

What will you miss most about being an educator?
"The one thing I'll miss most when I leave my classroom is the conversation. Teaching literature allows one to have conversations about all of the most important things—joy, sorrow; gain, loss; growing up, and growing old. As Lily Tomlin said, 'I like a teacher who gives you something to take home to think about besides homework.' I hope that I have, at least in moments, been that kind of teacher."

What are your plans for retirement?
"I have no fixed plans for retirement, but I'm staying in town and expect frequently to run into former students and colleagues. "

As the year comes to an end . . .

Look back at all the events and activities and think about all the fun experiences this school year has held. When you look through this yearbook, you are looking at all the memories you have created.

Through fall, winter, and spring, the 2016-2017 school year was filled with PRIDE... Blue Devil Pride.
